

BERMUDA BUSINESS DEVELOPMENT AGENCY

PATI Information Statement

Name of Authority: Bermuda Business Development Agency (BDA)

Introduction:

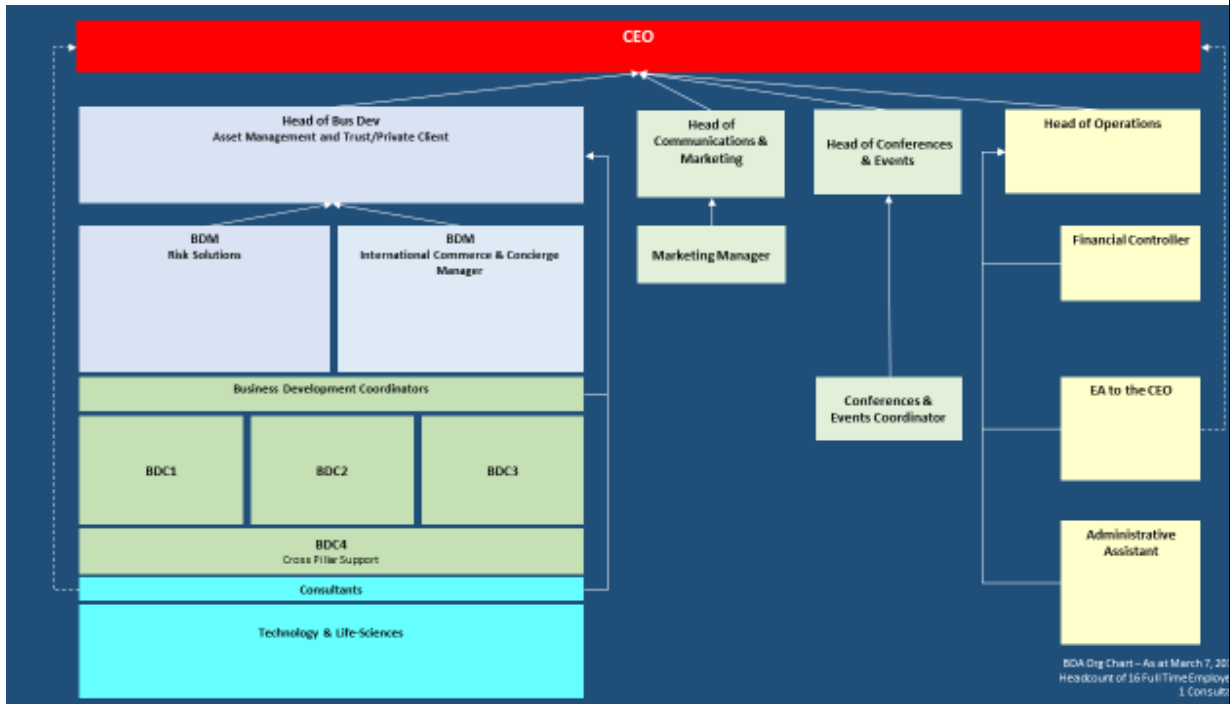

The general purpose of the Public Access to Information (Bermuda) Act 2010 (the Act) is to:

- a) Give the public the right to obtain access to information held by entities that are substantially funded by monies authorized by the Legislature to the greatest extent possible, subject to exceptions that are in the public interest or for the protection of the rights of others;
- b) Increase transparency, and eliminate unnecessary secrecy, with regard to information held by entities that are substantially funded by monies authorized by the Legislature;
- c) Increase the accountability of entities that are substantially funded by monies authorized by the Legislature;
- d) Inform the public about the activities of entities that are substantially funded by monies authorized by the Legislature, including the manner in which they make decisions; and
- e) Have more information placed in the public domain as a matter of routine.

Every entity that is substantially funded by monies authorized by the Legislature is required to have an information statement under the Act. This information statement provides a description of the BDA and its functions and structures, a summary of services, and descriptions of the classes of records held. Brief summaries of administrative manuals, policies, rules and guidelines are also provided.

Under the Act, Bermudians and Bermuda residents have the right to request and have access to any record held by a public authority, other than an exempt record. Some records fall within Part 4 of the Act, such as information received in confidence pursuant to Section 26 and information related to the deliberative process pursuant to Section 29. Therefore, not all records can be accessed. Each entity is required to make a determination as to whether a record must be released, in whole or in part, or is exempt from disclosure in accordance with the Act and the Regulations.

Section A: Structure, Organization and Legislation [s5(1)a]

Legislation

The BDA has no legislation governing the Agency other than the Companies Act 1981.

Section B: I) Functions, powers, duties of the Authority [s5(1)b]

The BDA encourages direct investment and helps companies start up, re-locate or expand their business in Bermuda. An independent, public-private partnership, we connect prospective businesses to industry professionals, regulatory officials, and key contacts in the Bermuda Government to facilitate jurisdictional decision-making. The agency is funded by both a grant from the Ministry of Economic Development of the Bermuda Government and from financial contributions from the private sector. The operations are governed by an experienced Board of Directors comprised of senior industry professionals representing the diversity of Bermuda’s financial services sector. The Bermuda Government has one Board seat. The BDA’s mission is to carry out proactive, targeted marketing and business development strategies to stimulate growth in the Bermuda economy so that companies can create and maintain jobs.

The BDA engages industry focus groups comprised of industry representative who, by collaboration, guide the development of strategies and approaches to achieving our mandate.
