Hamilton, Bermuda, February 2, 2017—Bermuda’s Premier, regulator and leaders of Bermuda’s global business sector highlighted the breadth, advantages and significant economic impact of the island’s financial market during an awareness-raising cross-industry forum held in London late last year by the Bermuda Business Development Agency (BDA).

Featuring top regulatory and industry representatives in discussion panels, the agenda covered hot-button topics, while emphasising the many elements that differentiate Bermuda—from the island’s world-respected regulator and access to capital, to its deep pool of industry expertise.
