

BERMUDA EXECUTIVE FORUM: LONDON 2019

Tuesday, November 26, 2019 | 8am–7:30pm

JW Marriott Grosvenor House London, Ballroom, Ground floor

Learn about new opportunities in an ideal jurisdiction for global business. Bermuda is a sophisticated, multi-industry financial centre offering world-respected regulation and top talent across industry sectors. Join us at this forum featuring experts from re/insurance, asset management, high-net-worth services, family offices, long-term life & annuity insurance, captive insurance, fintech and digital assets business. A complimentary, day-long event comprising thought leadership and networking opportunities that could benefit your business.

AGENDA

8am Registration & Breakfast

8:30am **WELCOME**
Andy Burrows, Chief Executive Officer, Bermuda Business Development Agency (BDA)

8:35–9:15am **SESSION 1: THE CONVERSATION**

9:15–10:15am **SESSION 2: DISRUPTION & OPPORTUNITY: BERMUDA'S IDEAL ADVANTAGE**

Amid fast-changing regulatory and tax-transparency standards and uncertain geopolitical landscapes on both sides of the Atlantic, jurisdictional experts discuss global challenges and opportunities and what Bermuda can offer the world

10:15–11am **SESSION 3: LOCAL STRENGTH, GLOBAL VALUE: CROSS-SECTOR SOLUTIONS**

Bermuda industry association leaders explore trends and strengths of the island's collaborative business market, from funds to family offices, and highlight the many strategic advantages the jurisdiction's breadth of expertise and industries delivers to corporations and investors

11–11:15am **NETWORKING BREAK**

11:15am–12pm **SESSION 4: REDUCE LONG-TERM RISK VIA BERMUDA**

Bermuda's life & annuity industry is growing, offering capacity and expertise to jurisdictions worldwide, as populations age and demand for retirement products continues to rise. Supported by responsive regulation, full equivalence with Solvency II, a tax-compliant framework and established P&C reinsurance leadership, the life sector provides vital value to onshore communities

12–12:15pm **NETWORKING BREAK**

- 12:15-1pm** **SESSION 5: CAPTIVE INSURANCE: YOUR COMPANY'S RISK-MANAGEMENT ADVANTAGE**
Emphasizing the many elements that differentiate Bermuda as a blue-chip jurisdiction, this panel covers topics ranging from reasons corporations choose captive insurance, the process to establish this type of self-insurance entity, and why Bermuda is the sensible domicile choice for captives
- 1-2:30pm** **KEYNOTE LUNCHEON**
- 2:30-3:15pm** **SESSION 6: SUBSEA CABLING**
Bermuda has demonstrated it knows how build a world renown reputation in the fields of insurance and financial services. It's now looking to do the same in telecommunications and technology. Specifically, to develop a subsea telecommunications corridor that would not only support industry best practices, but also provide critical connectivity to advance its own infrastructure and drive economic diversification
- 3:15-3:30pm** **NETWORKING BREAK**
- 3:30-4:15pm** **SESSION 7: WEALTH MANAGEMENT SOLUTIONS**
Bermuda is a centre of excellence for the formation and servicing of a wide variety of wealth management solutions. This panel focuses on our jurisdiction's wealth management offering, and its advantages for family offices and investors.
- 4:15-5pm** **SESSION 8: BUILDING AN INNOVATION HUB**
Bermuda has developed a legislative framework that will drive the future of open finance. Join us for a discussion around innovation in currency, banking and the new digital asset economy and how it will impact the evolving ecosystem in Bermuda, the UK and the EU.
- 5pm** **FORUM CLOSING REMARKS**
Andy Burrows, Chief Executive Officer, Bermuda Business Development Agency (BDA)
- 5:15-7:30pm** **BDA NETWORKING RECEPTION**
