About the BERMUDA RISK SUMMIT 2026

The Bermuda Business Development Agency (BDA) is pleased to host the 2026 Bermuda Risk Summit, marking five years of bringing global risk leaders together to shape the industry's future.

This year, we are integrating the Bermuda Climate Summit into the event, recognising that climate, capital deployment, regulation, and resilience are increasingly interconnected within the global risk landscape.

Attendees can expect compelling keynotes, engaging panels, industry-focused breakout sessions, and curated networking opportunities that enable deeper conversations and foster cross-sector collaboration.
